# Indiana Dunes

The Indiana Dunes are Porter County's paradise.

Home to both a state park and national park, the dunes offer travelers a respite from their daily grind. Relax amidst the peaceful tranquility of miles of beach, sand dunes, woodland forests and bogs. You'll leave feeling refreshed and renewed by the beautiful landscape that is Porter County.

## Indiana Dunes State Park

Home to the Midwest's most diversified flora and fauna, the state park offers swimming in Lake Michigan, trail hiking, camping, youth tent camping, campground grocery, picnic areas, concessions, cross-country skiing and sledding. Alcohol is not allowed in the park, and there is a carry-in/carry-out trash policy. 1600 North County Road 25 East (on Indiana 49, north of Interstate 94). 219/926-1952. [www.dnr.state.in.us/statepar/parks/indunes/indunes.htm](http://www.dnr.state.in.us/statepar/parks/indunes/indunes.htm)

**The Nature Center:** offers year-round activities for all ages and includes animal and bird watching stations and dunes-related exhibits. Slide presentations are offered in the auditorium. Interpretive services include hikes, activities and patch programs. 219/926-1390.

**The campground:** has 288 campsites. It is equipped with electricity and a dumping station. The concession and campground grocery is open during the summer. Picnic areas include tables, grills, toilet facilities, playground equipment and shelters. The campground is open all year. 219/926-4520.

## Indiana Dunes National Lakeshore

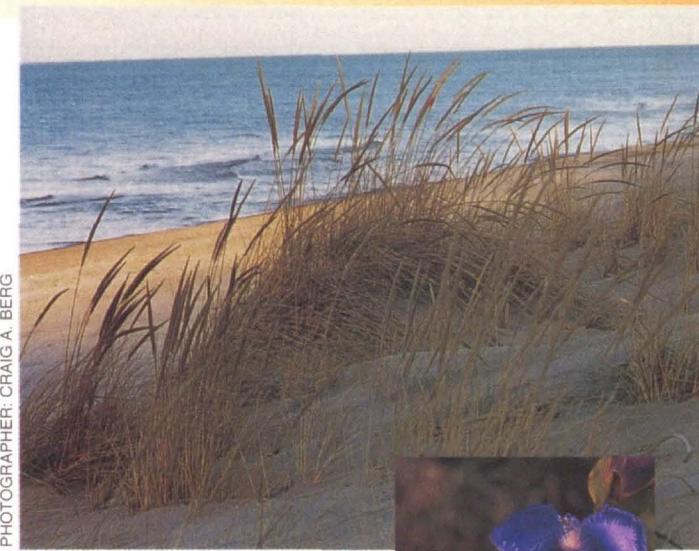

Part of the National Park Service, the National Lakeshore offers slide programs, a bookstore, activity information, hiking trails and displays at the Dorothy Buell Memorial Visitor Center. On Kemil Road at U.S. Highway 12, near Beverly Shores. 219/926-7561, ext. 225.

**Bailly Homestead:** was built by French-Canadian voyageur and fur trader Joseph Bailly, who settled here in the early 1820s. The two-and-a-half-story home is made of cut lumber fastened with wooden pegs. The home reflects a long history of use beginning when the Baileys owned it and extends into the 1960s when it was used as a boarding house and restaurant. The surrounding old style cabins have been used as fur cabins, offices and housing. On Mineral Springs Road, between U.S. Highways 12 and 20 in Porter. 219/926-7561, ext. 225.

**Chellberg Farm:** is an early 20th century 80-acre working farm established by Swedish immigrants Anders and Johanna Kjellberg in 1874. Kept the way the Kjellbergs maintained it, the farm is the site of several ongoing educational and entertainment programs. On Mineral Springs Road, between U.S. Highways 12 and 20 in Porter. 219/926-7561, ext. 225.

Getting away from it all: the Indiana Dunes offer plenty of room to stretch out along 25 miles of coastal beaches.

DAN BRUHN

**Dunewood Campground:** is a handicap-accessible facility with 79 drive-in and walk-in sites. There are no utilities. Restrooms and showers are available. The season is April 1-October 31. Reservations are not accepted. 219/926-7561, ext. 663.

**The World's Fair Homes:** are the legacy of the 1933 Chicago World's Fair Century of Progress Exhibition. Nestled in the dunes along Lake Michigan stand five unique homes, monuments to American ingenuity. They feature modern technology such as central air conditioning, dishwashers and passive solar heating. For more information, visit the Dorothy Buell Memorial Visitor Center on Kemil Road at U.S. Highway 12, near Beverly Shores. 219/926-7561, ext. 225.

Sosa went on to whack number 66 out of the Houston Astrodome on September 25. Sosa is not alone in praising the Hoosier Bat. Howie Bedell of the Philadelphia Phillies has said, "The Hoosier
